DOMESTIC FIRST-CLASS PACKAGE RATES (Retail)

First class packages were introduced as a separate category in 2007. Prior to that, packages sent first class were subject to the same rates as letters. Maximum weight for retail customers is 13 ounces. Commercial customers receive discounted rates (not shown) with a maximum weight of 15.99 ounces. See note at the end of this listing!

On February 23, 2023 the USPS announced it would be incorporating First Class Package Service in summer 2023 with "USPS Ground Advantage Service, " that features two-to five day service standards for packages up to 70 pounds. As well as First Class Package Service, "USPS Ground Advantage Service " includes what was known as USPS Retail Ground and Parcel Select Ground.
